Urban 55 Neo

Luxury Vinyl Planks & Tiles

Urban 55 Neo Advantages

Water resistance

No worries, your Urban 55 Neo floor is water resistant.

Ideal for renovation

With a height of only 2.5 mm, this floor is ideal for renovation.

Fine detailing

The Urban 55 Neo collection is finished with an ultra matt top layer and v-groove along the 4 sides of the plank or tile.

Natural Designs

Our collection offers super realistic decors with the practical advantages of a PVC floor.

Sustainability

Our floors are certified & recyclable.

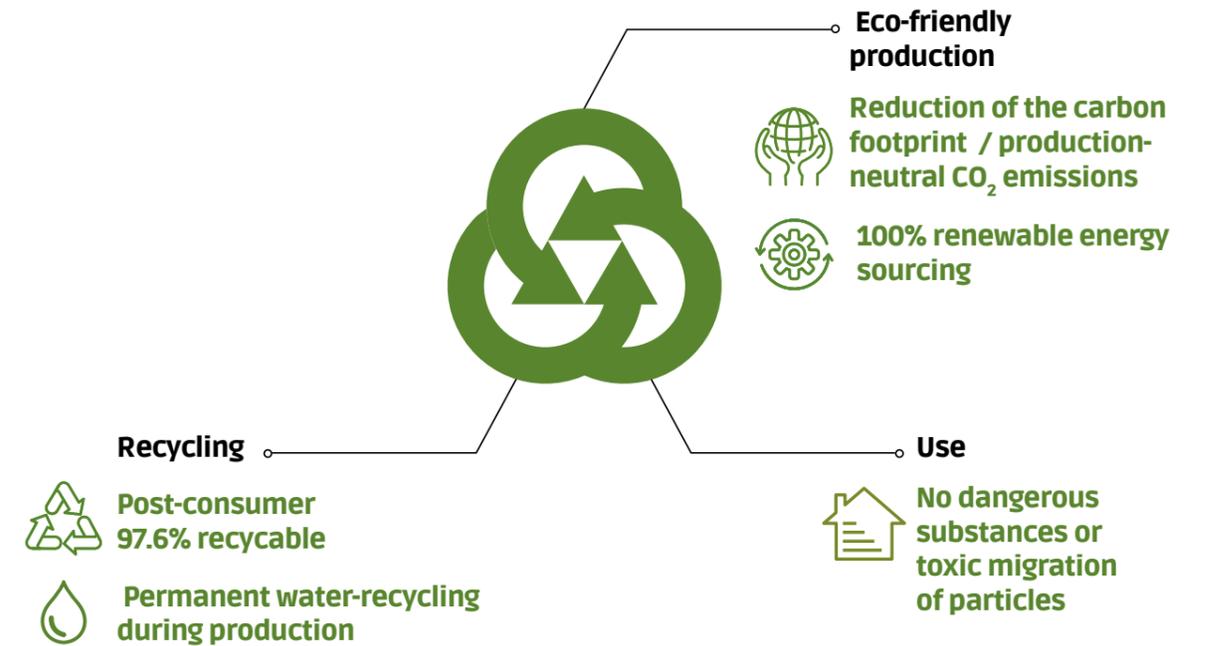

10 years warranty

Our 10 year warranty covers you for the commercial usage of Liberty Urban 55 Neo.

Protecting your environment / Sustainable production
Liberty is committed to a circular economy

Better Air Quality

Volatile organic compounds called VOCs or TVOC are harmful substances frequently found emitted into the air within indoor environments. The LIBERTY Urban 55 Neo collection emits 10 times less TVOC than the permitted standard (< 100 µg/m³).

Information on the level of emissions of volatile substances within indoor air presenting a risk of inhalation toxicity on a scale from A+ (very low emissions) to C (high emissions).

Urban 55 Neo
TVOC <10 µg/m³

Recyclable PVC

Phtalate-free PVC (excluded recycled content)
